The National Park Service has reviewed the "Historic Certification Application - Part 1" for the above-named property and hereby determines that the property:

- contributes to the significance of the above-named district (or National Register property) and is a "certified historic structure" for the purpose of rehabilitation
- contributes to the significance of the above-named district and is a "certified historic structure" for a charitable contribution for conservation purposes in accordance with the Tax Treatment Extension Act of 1980.
- does not contribute to the significance of the above-named district.

Preliminary determinations:

- appears to meet the National Register Criteria for Evaluation and will likely be listed in the National Register of Historic Places if nominated by the State Historic Preservation Officer according to the procedures set forth in 36 CFR Part 60.
- does not appear to meet the National Register Criteria for Evaluation and will likely not be listed in the National Register
- appears to contribute to the significance of a potential historic district, which will likely be listed in the National Register of Historic Places if nominated by the State Historic Preservation Officer.
- appears to contribute to the significance of a registered historic district but is outside the period or area of significance as documented in the National Register nomination or district documentation on file with the NPS.
- does not appear to qualify as a certified historic structure.

STATE RECOMMENDATIONS

Steven M. [Signature]
who meets the Secretary of the Interior's Professional Qualification Standards, has reviewed this application.

- The property is included within the boundaries of a registered historic district, contributes to the significance of the district, and is a "certified historic structure" for the purposes of rehabilitation.
- The property is included within the boundaries of a registered historic district, contributes to the significance of the district, and is a "certified historic structure" for a charitable contribution for conservation purposes in accordance with the Internal Revenue Code.
- The property does not contribute to the significance of the above named district.
- Insufficient documentation has been provided to evaluate the structure.
- This application is being forwarded without recommendation.

Preliminary determinations:

- The property appears to meet National Register Criteria for Evaluation and will be nominated individually.
- The property does not appear to meet National Register Criteria for Evaluation and will not be nominated.
- The property appears to contribute to the significance of a:
 - potential historic district that appears to meet the National Register Criteria for Evaluation and will likely be nominated.
 - registered historic district but is outside the period(s) or areas of significance as documented in the National Register nomination or district nomination on file with the NPS and nomination will be amended.
- The property is located in a proposed historic district and:
 - The property does not appear to contribute to the significance of the proposed historic district
 - The proposed historic district does not appear to meet the NR Criteria for Evaluation and will not be nominated
